The E-Gift Voucher contains the monetary value which was paid, in advance, at the point of purchase.

Your E-Gift Voucher has no cash redemption value and cannot be exchanged for cash.

The E-Gift Voucher is not replaceable if lost or stolen. Your E-Gift Voucher will be sent via email and you will have the ability to download a PDF version, which you can save for your convenience. Ringside World sells tickets and associated products and/or services on behalf of promoters, producers, teams, performers and venues. We refer to these parties who organise or provide the event and/or from whom we obtain tickets and/or associated products or services to sell to you as our "Event Partner".

We sell tickets allocated to us by Event Partners. The quantity and type of tickets allocated or made available for sale by us varies on an event by event basis. Ringside World does not control this inventory or its availability.

Where Ringside World does not have an allocation of tickets of a particular type (e.g. Front Row tickets) for an event or an allocation of any tickets whatsoever for a particular event, the Gift Card may not be used in relation to the relevant ticket type(s) or particular event(s).

E-Gift Vouchers may not be used in connection with any marketing, advertising or promotional activities without our prior written approval and may not be sold other than through our authorised channels. We reserve the right to limit quantities of E-Gift Vouchers purchased by any person or entity.
